Press photographers must obtain authorization from the conference host. Photographs and recordings of images and sound other than for private use are forbidden and must only be taken with the written consent of the conference host.

The organizer is entitled to have sessions, social events, stands and persons photographed and filmed during the conference and social events for publication in its own material or in the general press.
The organizers reserve the copyrights and all other rights to conference content, website content, databases and trademarks. The user is not allowed to copy content or make it available to third parties via the internet contrary to applicable copyright regulations.

9. LIABILITY
The organizers shall only be liable for any property damage or financial loss for which the organizers are responsible – regardless of the legal reason – in the case of intent or gross negligence. Place of performance and jurisdiction is Kassel, Germany.

10. FULFILMENT AND JURISDICTION
All contractual and legal relationships are subject to the exclusive application of the law of the Federal Republic of Germany, and in the event of any legal claims arising from either party, Kassel, Germany shall be the sole court of jurisdiction.

Conflicting terms of business formulated by the participant shall only become a part of the contract if the organizer specifically agrees to them in writing. All amendments or supplements to the terms of the contract must be made in writing.

11. SALVATORI CLAUSE
If there is a determination of these Terms and Conditions to be ineffective or impracticable, then the validity of the remaining provisions shall in no way be affected. In such case the void and/or illegal provision shall be replaced by a valid provision which comes as close as possible to its intended effect and best coincides with the purposes of this contract.

12. SPECIAL REGULATIONS FOR ATTENDEES WITH REGARD TO THE COVID-19 PANDEMIC
In addition to our regular participation and cancellation policy, the following special contractual provisions shall apply for the duration of the ongoing Covid-19 pandemic (hereinafter: Special Covid-19 Provisions). Insofar as these provisions differ in content from the regular participation and cancellation policy, the Special Covid-19 Provisions shall take precedence.

I. The organizers continue to adapt their protective measures for in-person events in accordance with the specifications and recommendations issued by the relevant authorities. The protective measures are created individually for the respective venue and are decisive for participation in the corresponding event.

Nevertheless, the conferences may not be able to take place after we have confirmed your registration, for example due to official orders issued to the event organizer or due to general restrictions of in-person events with a view to combating the Covid-19 pandemic (hereinafter: Covid-19 Restrictions). In this case, the organizers shall have the right to cancel the event and will then immediately send the confirmed attendees an email to inform them that the in-person conference cannot be held and has been canceled. Considering the permanent risk of in-person events needing to be canceled in light of the Covid-19 pandemic, we recommend that you always verify that the cancellation of travel services or accommodation at the venue can be canceled free of charge until shortly before the date of the event. If and insofar as you have nevertheless incurred costs for travel or accommodation with regard
to an in-person event canceled by the organizers, which you are ultimately obliged to bear (e.g. cancellation fees), you shall be liable for your own travel and accommodation costs in the case of cancellation of the conference, unless the event is not canceled due to a Covid-19 restriction (a cancellation shall not be deemed due to Covid-19 restrictions until the Covid-19 restrictions have made the event impossible or unreasonable to organize (e.g. through safety and protective measures that conflict with event itself)).

II. The organizers reserve the right to hold an online event to substitute the in-person conference. In this case, your registration for the canceled in-person event will then remain valid as registration for the online event that replaces it without any further action on your part. In this case, however, you shall have a special right to cancel your registration free of charge up to 5 business days before the start of the online event. In this case, the attendance fees that have already been paid will be refunded free of charge. If you do not cancel your attendance of the online event replacing the in-person event, you will be refunded the difference between the online ticket and the in-person ticket.

III. The organizers expressly reserve the right at any time to require a mandatory rapid test for coronavirus/Covid-19 infection at the entrance to the conference. The rapid test generally consists of a mouth swab, is not physically invasive and completely painless. The organizers reserve the right to have the rapid test performed in another non-invasive and painless way. As an alternative to the rapid test, participants shall have the right to present an appropriate certificate of health from a doctor or laboratory based in Germany, which is not older than 24 hours at the time of the start of the event.

Likewise, the organizers reserve the right to grant access to the conference only under the conditions of 2G (proof of complete vaccination and the additional waiting period of 14 days, or proof of recovery, which is not older than the time allowed by the current regulations) and to refuse access if the proof is not provided. Access under the conditions of 2G (alternatively 3G, i.e. vaccinated, recovered or tested) may be necessary for regulatory as well as economic-organizational reasons. The organizers will inform all participants already registered for the event of the applicable access restriction via e-mail. The organizers also reserve the right to require attendees to wear masks and/or to enforce mask requirements should they be legislated.

Under certain circumstances, only attendees who agree to undergo the test and whose test result comes back negative or who can provide evidence of the applicable entry restriction may be permitted to attend the conference. Attendees who either refuse to take the rapid test, who test positive for coronavirus/Covid-19 infection or who cannot provide the evidence requested will be denied access to the conference in order to protect the health of the other attendees.

Only attendees who have undergone the rapid test and tested positive for coronavirus/Covid-19 shall be eligible for a refund of the attendance fee, we will charge a processing fee of €50 plus VAT. Attendees who refuse to take the rapid test or who cannot provide valid proof of the 2G/3G regulation shall not be eligible for a refund of the attendance fee.

Attendees who refuse to take the rapid test, who test positive or who cannot provide the evidence requested shall not be eligible for any other reimbursements, such as a reimbursement of non-beneficial travel expenses.
Attendees’ potential right to claim damages for a false positive test result (or other related rights) shall not be affected by this Section III. The above-mentioned rapid test procedure shall not affect your right to cancel your attendance of the in-person event and to claim a refund of the attendance fee if you have tested positive for coronavirus/Covid-19 elsewhere. Please inform us by submitting your test results no later than 12 hours before the start of the conference.

13. CHILD CARE
The organizers of the EuroSun 2022 are offering child-care for participants who are attending the conference with their children. Child care can be booked through the registration process and must be paid in advance. It is available for children ages 6 months to 12 years. By law, all children attending a child care service in Germany must be vaccinated against measles (1 vaccination if older than one year, 2 vaccinations of older than two years). A proof of the child’s vaccination must be presented on-site or access to the child-care will not be granted. No refunds will be offered if the vaccination proof is not provided. The child care does not include lunches for the children.

Cancellations can be accepted up to 6 weeks in advance of the start of the conference. Any cancellations for the child care received after 6 weeks before the conference will not be refunded.
